Thank you for praying and supporting our students' education to give them a hope for a bright future. Tamara, Joanne and Daniel are in candidate classes getting ready for promotion. Tamarah and Joanne began school this first week of September. They are doing their national exams for senior six this term to prepare for university level classes. Daniel is doing his senior four national examinations to join upper secondary school (senior six). The government is introducing new curriculum. These three need our prayers as they are the first candidates using the new curriculum.

We need to register Tamarah, Joanne and Daniel since they are in candidate classes. Tamarah & Joanne may be sent home if we are not able to send in a deposit.

The majority of our students start the third term of school on September 16, 2024. They have become extremely strict and are requiring at least half of the fees before they are allowed to begin the 3rd term.

Please join us in prayer as we will need to wire at least half of the remaining balance next week so they can start the third term.

More detailed information is on page 2.

Thank you for your sacrificial support and heartfelt prayers. We appreciate your encouragement, care and love for our Raining Hope family. Our students are extremely grateful for the opportunity you have given them to receive a good education. It is amazing to see what God is doing and how far He has brought us.

Please pray that we can finish the third term strong.
